Dear Bedford Republican,

We had a great Flag Day Celebration with over a hundred supporters in attendance. A great party at a beautiful venue. Please join us next year. You will enjoy meeting like-minded individuals. Campaign season was kicked off with inspirational remarks from County Executive Rob Astorino and the announcement of our candidates for Town Board, MaryEllen McLaughlin and Kyle Carleton.

I am writing to ask you for a donation to support our local campaign. We have great candidates (see reverse side) who are focused on serving our town, preserving the character of our community, and promoting the vitality of our hamlets, while keeping our town affordable for families.

It is clear from the rhetoric coming from the other side, and a that they will focus on bringing the divisiveness of our national politics to the local level. We can't have that here.

Our local Republican Committee has a long history of working with local residents of any party affiliation to find the solutions best for Bedford. That is why this election is so important. We want to keep our local government locally focused. Campaigns are expensive. That is why we are asking for your financial support. Our candidates will be working hard this summer and fall to serve us, but they need the resources to succeed.

Thank you in advance for your help.

Best Regards,

Tom Kennedy, Jr.
